
FENDI
SOFA

DESIGNED BY ATELIER OÏ

Fun Fendi, seating system

The renowned Fendi artisanal heritage is expressed to perfection in this playful series of ultra-comfortable padded armchairs and sofas inspired by the iconic Peekaboo bag. Designed by atelier oï, each piece features fabric or leather upholstery with side slits offering glimpses of the padding for an original series of soft forms. The different pieces combine in a myriad of ways to create inviting compositions that can be arranged to suit the space and your mood.

芬迪标志性的手工传承在此系列中得以完美诠释——灵感源自经典 Peekaboo 手袋的系列软垫扶手椅与沙发，以玩趣姿态呈现极致舒适体验。每件作品均采用织物或皮革面料包裹，侧边开衩设计巧妙露出填充物，勾勒出别具一格的柔软形态。不同单品可自由组合搭配，随心打造温馨布局，既契合空间需求，亦呼应心境变化。

Peekasit, sofa

The Peekasit seating project designed by Controvento, is inspired by Fendi's iconic Peekaboo bag. In a design that amazes with its pure and welcoming shapes, the fabric or sheepskin upholstery and the structure in fine Signoria leather create an original inside-out effect. The different elements combine in a compositional game with a strong visual impact, which amazes for its comfort and structural variety.

由 Controvento 设计的 Peekasit 座椅系列灵感源自芬迪标志性的 Peekaboo 手袋。其设计以纯粹而亲切的造型令人惊叹，织物或羊皮面料与精致的 Signoria 皮革结构交织出独特的内外翻转效果。不同元素在构图游戏中碰撞出强烈的视觉冲击力，其舒适度与结构多样性更令人赞叹不已。

Five, seating system

A seamless dialogue between architecture and design, the Five sofa by Marcel Wanders is a harmoniously-balanced of seating and storage solution. Each padded modular seating unit is upholstered in a choice of fabric or leather, creating an elegant contrast of solids and voids with the marble side table and its push-pull drawer in varnished wood. A supremely versatile item of furniture with a host of configurations, it is designed to foster convivial living.

Blow Up, seating system

Featuring a broad, comfortable shape, the Blow Up sofa by Controvento combines iconic elements and transforms them into contemporary design. Seats and backrests effortlessly combine into modular volumes: smooth forms, as if shaped by the wind, alternate Pequin-striped seating with sartorial-inspired pleated details. The substantial wooden base lifts the sofa off the ground, enhancing the feeling of lightness and support.

FF Kiss, coffee table

DESIGNED BY JONAS VAN PUT

The FF Kiss coffee table by Jonas Van Put embodies the epitome of refined elegance with its metal base featuring two touching circles, inspired by the poem of mathematician Frederick Soddy's "The Kiss Precise". The inlaid Pequin top, available in marble or wood, adds a touch of sophisticated luxury.

Jonas Van Put 设计的FF Kiss咖啡桌,以金属底座上两枚相触的圆环为特色,其灵感源自数学家弗雷德里克·索迪的诗作《精准之吻》,完美诠释了精致优雅的典范。镶嵌式佩金桌面提供大理石或木质两种选择,更添一抹精致奢华的韵味。

Fendi Junto, side table

DESIGNED BY TOAN NGUYEN

Originating from the concept of "joint", the Junto coffee table is a masterful fusion of form and function. Designed by Toan Nguyen, it represents a continuum with the organic design of the Sandia sofas, to which it effortlessly joins. The brilliance of the metal emphasises the decorative dimension, while the contrasting fabric elements offer a sophisticated, tactile play of light and shadow, perfect for the living area.

源于“接合”理念的 Junto 茶几，是形态与功能的精妙融合。由 Toan Nguyen 设计，它与 Sandia 沙发系列的有机设计一脉相承，可无缝衔接。金属材质的璀璨光泽凸显装饰性，而对比鲜明的织物元素则营造出精致的触感光影游戏，堪称客厅空间的点睛之笔。

Sumo, coffee table

The Sumo table showcases irregular and rounded shapes supported by sculptural legs. Escaping predefined patterns, it melds the tactile quality of raw metal with the refined, watery effect of the double-layered top, creating a contrast with a strong presence. This interior design project is strongly representative of the Fendi Maison spirit, capturing attention and enriching the living space.

DINING CHAIR

Ottavia, chair

DESIGNED BY CRISTINA CELESTINO

Designed by Cristina Celestino Studio, the Ottavia chair echoes Rome's signature architectural elements both in form and function. Showcasing simple geometries and soft lines, the piece is characterised by the arch-shaped legs in lacquered wood, inspired by Palazzo della Civiltà Italiana, and a curved wooden back engraved with the FF logo that seems to naturally unfold around the body. Upholstered for maximum comfort, this sophisticated design is ideal for both living and dining areas.

由 Cristina Celestino 工作室设计的 Ottavia 椅子在形式和功能上都呼应了罗马标志性的建筑元素。这件作品展示了简单的几何形状和柔和的线条，其特点是以漆木制成的拱形腿，灵感来自意大利公民宫，弯曲的木质背部雕刻着 FF 标志，似乎自然地围绕身体展开。这种精致的设计可提供最大的舒适度，非常适合居住和用餐区。

Audrette, chair

The ultra-light design of the Audrette chair originates from the restyling of the iconic Audrey model. Inspired by the arches of roman architecture, it echoes the rhythmic sequence of arches, transforming the backrest into a sinuously shaped arch. The result is a comfortable seating experience, distinguished by an unmistakably essential aesthetic.

Audrette 椅的超轻设计源自对标志性 Audrey 模型的重新设计。受罗马建筑拱形的启发，它再现了拱形序列的韵律感，将靠背转化为一个蜿蜒起伏的拱形结构。由此带来的是一种舒适的坐享体验，其显著特征是一种无可置疑的、不可或缺的审美风格。

Maglia, settimino dresser

DESIGNED BY ATELIER OÏ

The Maglia cabinet is composed of stacked drawers in curved wood, with a daring scenic presence. The asymmetric spacing between the drawers creates a harmonious balance between filled and empty areas, which can be customised to meet the needs of different environments. Inspired by classic Italian units with 7 compartments, it is available in the collection's signature tones and lacquers.

Maglia 柜采用曲木叠层抽屉设计，呈现出大胆的视觉效果。不对称的抽屉间距在满与空之间营造出和谐平衡，可根据不同环境需求进行定制。其灵感源自经典意大利七格柜，提供系列标志性色调与漆面选择。

CONSOLE

Blurred, console

A combination of overlapping textures defines the aesthetic of the Blurred console. The essential geometric structure is expressed through a refined see-through effect, achieved by a combination of various layers of glass that merge with metallic tubes, creating a visually impactful design. Exuding lightness and personality, this console will enrich the main living spaces or an entryway.

Blurred 边几的美学特质源于多重纹理的交叠融合。其核心几何结构通过精致的透视效果得以呈现——多层玻璃与金属管材交织融合，营造出视觉冲击力十足的设计。这款边几散发着轻盈气质与独特个性，无论是点缀客厅空间还是装点玄关区域，皆能为居室增添艺术韵味。
